

Autumn 2018 Seminar Series

August 31, 2018

Speaker: Dr. Adithya Jayakumar (Lecturer, OSU)
Topic: "Design for 90"

September 7, 2018

Speaker: Dr. Ann D. Christy (Professor and Assistant Dean, OSU)
Topic: "Scholarship of Teaching and Learning (SoTL): Professional Development for Undergraduate Engineering Students"

September 14, 2018

Speaker: Dr. Kathleen A. Harper (Senior Lecturer, OSU)
Topic: "The Ohio State Honors Robotics Project Through Educational Research Lenses"

September 21, 2018

Speaker: Dr. Amy Summerville (Associate Professor, Miami University)
Topic: how counterfactual thoughts impact student performance in STEM courses

September 28, 2018

Speaker: Dr. Rachel L. Kajfez (Assistant Professor, OSU)
Topic: "One Approach to Connecting Motivation and Identity: An Exploration of Self and Drive from Undergraduates to Faculty"

October 5, 2018

Speaker: Dr. Doug Melton (Academic Program Director, KEEN)
Topic: entrepreneurial engineering education

October 19, 2018

Speaker: Angus Fletcher
Topic: 'Engineering Stories: How to Inspire Ordinary Minds with Your Extraordinary Knowledge'

October 26, 2018

Speaker: EED graduate student presentations
Topic: Three-minute thesis

November 2, 2018

Speaker: Dr. Wendy C. Newstetter (Assistant Dean for Educational Research and Innovation, College of Engineering, Georgia Institute of Technology)
Topic: Transforming for Inclusion: Fostering Belonging and Authenticity in Engineering Education and Practice

November 9, 2018

Speaker: Dr. Marybeth Lima (Professor, Louisiana State University)
Topic: community engaged engineering design education

November 16, 2018

Speaker: Dr. Jennifer Herman, Senior Lecturer, Department of Engineering Education
Topic: Technical Communications Approaches to Research and Writing
