Engineering Pre-Majors and Department of Engineering Education Open Computer Lab Information

Spring Term 2019

Open Lab Computer Facility located in Hitchcock Hall 316. There are 48 computers in Hitchcock 316, available on a first-come/first-served basis. The room is available 24 hours a day, 7 days a week using your OSU Buck-ID, and is unlocked from 7:30 AM to 5:30 PM (M-F). During nights and weekends your Buck-ID also allows you to gain access to Hitchcock Hall through the Hitchcock Hall North Entrance (on Woody Hayes, across from the Business College).

Remote Access using Remote Desktop Connection program (RDP)
connect to 164.107.36.249 or 164.107.36.250
Note: append ‘coeit\’ to your username example: coeit\smith.999999

1) Off-campus connections require connection to an OSU VPN service.
A) College of Engineering VPN
   a. Software: Pulse Secure
   b. Connection settings:
      i. Name: CoE-Net
      ii. Server: vpn.coeit.osu.edu

B) OCIO site offered software:
   a. Software: Cisco Anyconnect VPN client
   b. Connection settings:
      i. Name: OSU\net
      ii. Server: vpn.service.osu.edu

When using a VPN Client, you will need to set up the required 2-factor authentication mechanism (BuckeyePass). Instructions for this multi-step setup process may be found at:
