Opportunities for Excellence

- The call for nominations for The Ohio State University Innovator of the Year Awards has been released. The nominees for the Innovator or Early Career Innovator may be faculty or staff members. For the Early Career Innovator category, a candidate must be either an assistant or early associate professor (if a faculty member), or have been at Ohio State no more than 10 years (if a staff member). For the Next Generation Innovator category, a nominee must be a current undergraduate or graduate student, or a student who has graduated within the last year, or a current postdoctoral trainee. Please bring the nominations forward, and the College leadership will work with you to complete and submit them to the Office of Research. The deadline for submission to OR is February 22. To assure enough time to prepare Dean's recommendation letters, please send your nominations to Sophia Rester and Dorota A. Grejner-Brzezinska no later than February 11 EOB. Complete details about the nomination process are available on the Office of Research [website](#).
